

Headteacher's Message

Along with this letter, you will find a copy of our school's revised mission statement. We have worked with our school council, staff, governors and parents to review our old mission statement and produce a simplified mission which underpins our school ethos. I hope you agree that this is what our school is all about. Children will be aware of our new mission statement but please take time to talk with them about it if you can. Thank you.

CAFOD: Thank you so much to all who donated money on our non-uniform day this week. We raised £229.00 for the charity. We also had a visitor from CAFOD who led assembly and told us all about their important work.

Our new mission statement: At St Elizabeth's Catholic Primary School we strive for fullness of life for everyone. Through education and prayer, we listen, learn and grow with Jesus.
