Parent consultations:

Communication between school and home is a crucial part of supporting our children to make progress. Although we would have liked parent consultations to be face to face this term, unfortunately, they will once again have to take place virtually. If you haven't done so already, please sign up using the link that has been sent to you in order to arrange a convenient time for your child's teacher to call you next week.

Art days:

It has been great seeing some of our classes enjoy their art enrichment days this week. Art/DT days are organised each half term to allow pupils time to plan, develop and evaluate an art or DT project and to provide time for them to use the art and DT skills that they have been practising. So far, I have seen pupils using pencils, paint and clay amongst other materials. The children have had a great time and learned a great deal - I hope their uniforms haven't come home too messy!

Thank you

Thank you for your generous donations of Harvest food last week. All donations have been sent to the HOT community shop where it will help to support those most in need.

Prayer:

Hail Mary, full of grace, the Lord is with thee,
Blessed art thou among women, and blessed is the fruit of thy womb, Jesus,
Holy Mary, mother of God,
Pray for us sinners now and at the hour of our death,
Amen

Pope Francis says:

"The experience of encounter changes us and it frequently suggests new ways we never thought of taking. This is how God so often points out new paths. Everything changes once we are capable of genuine encounters with Him and with one another."
